Following their West-End transfer of *In My Name*, and their critically acclaimed production of *Back of the Throat*, Yaller Skunk return with another gripping World Premiere, *I Am Montana*.

Home in Montana after a traumatic stint in the Israeli Army, Eben embarks on an increasingly perilous cross-country road trip to give a presentation at the national headquarters of his mega-store employer, Valumart. Trapped between his concerned best friend and the ardent admiration of a meth-addicted co-worker, Eben carries a flower, a suitcase and a secret.

'I realize that you don't really know me, you don't really know what I'm capable of, how far I'm willing to go for you. So I'm going to show you'
